In the event that BDBA assets are insufficient to enable it to honour all its outstanding debts and liabilities, responsibility for these shall pass to the Member Clubs in proportion to the number of their registered members at the date of dissolution.

2. STANDING ORDERS

2.1. Membership

2.1.1. Affiliation of Clubs

Clubs applying for BDBA membership for each season shall:

- do so on the application form as directed by the Secretary,
- send the completed application form, with the appropriate registration fee, to the Secretary to arrive by the date stated on the application form.

2.1.2. Registration of Full Members

Each season, Member Clubs shall register their member players and pay the appropriate registration fees as follows:

- Badminton England: using the current Badminton England on-line membership registration system and payment arrangements, by the date required by Badminton England;
- BDBA and Lancashire Associations: using the forms and the payment arrangements provided by the Secretary, within 14 days of the start of the League Season or, for new players in-season, within 14 days of a new player becoming a member of the Club.

Notes:

A player who has a Badminton England registration for the current season, eg, as a coach or volunteer or with another club, does not need to be registered a second time, but should be adopted by the club on the Badminton England membership registration system.

The Lancashire Association fee should be paid for each player at each club at which they play as a member.

The BDBA fee should be paid by each playing member.

2.1.3. Eligibility of Players

A player is eligible to play for a Member Club in League and Trophy Competitions provided that they:

- are Full BDBA Members;
- have an agreed starring level;
- have not represented another club playing in the BDBA League and Trophy competitions in the same season, unless in exceptional circumstances and with the prior permission of the Match Secretary.

2.1.4. Player Playing Levels

All players, including floating or casual players must be given a playing level.

During the season, a new player to a club, who may not yet be registered with the club and has not played for another club in the same season, should have his/her playing level communicated to the Match Secretary for agreement before they play in a match and the registration forms must be submitted according to these Standing Orders.

The Match Secretary may rule on the playing level of any player.

2.1.5. Starring of Players

Member Clubs shall complete starring cards for their players at the start of each season and also when new players join the club during each season.

The starring card for a team may show “additional starred players”, eg, a floating player who has a playing level above that of the lowest team. Players not normally expected to appear for a club’s bottom team must be so identified.

Starring cards shall be completed, submitted to and agreed by the Match Secretary prior to:

- the club’s first match, and
- a new player playing for the club in a match.

Failure to reach agreement with the Match Secretary on starring of a player or players before they play in a match may result in the opposition being awarded games won by the player(s) to love.

No player may play for a team below the level at which they have been “starred”.

If, in a single season, a player (Player A) starred for a particular team ceases to be available for selection, they must immediately be replaced, either by one of the additional starred players or by re-starring a player from a lower team (Player B).

If Player A then subsequently becomes available to play again, they must return to their original starred position, with Player B being de-starred and made available immediately to play for their original team.

The Match Secretary must be informed of changes to player starring.

In the event of a player of outstanding ability becoming available during the season, the club must apply to the Council to have a starred 'A' team player released immediately for their 'B' team. The new member would automatically become a starred player for the 'A' team. This principle also applies in the case of a new player entering the 'B' team and releasing a starred player to the 'C' team, etc.

2.2. Fees

All fees for each season, as agreed at the AGM, will be published in the AGM minutes and on the BDBA internet site.

2.3. Council

BDBA and all its Competitions shall be managed by the Council which shall have the power, at its absolute discretion, to deal with any complaint or dispute and to give a decision on any matter relating to BDBA activities.

2.3.1. Officers

All BDBA Officers, except the President, shall be elected annually at the AGM. If a vacancy occurs during the season, the Council may appoint a replacement from the Council for the remainder of that season only.

2.3.2. President and Immediate Past President

The President shall be elected at the AGM for a 3 year term, and the retiring President shall automatically become the Immediate Past President for a 3 year term. The elected President may not serve for consecutive terms.

2.3.3. Ordinary Council Members

There shall be a maximum number of ordinary Council Members allowed, where the maximum number permitted is equivalent to the number of Member Clubs.

Ordinary Council members shall be elected at the AGM for a 3 year term.

A minimum of 3 ordinary Council members shall retire each year on rotation. If a vacancy occurs during the season, the Council may appoint a replacement ordinary Council member for the remainder of that season only.

2.3.4. Quorum

A quorum at all Council Meetings shall consist of 7 Members.

2.3.5. Voting

The Chairman shall have the casting vote on all matters at Council Meetings.

2.3.6. Sub-Committees

The President and Chairman shall be ex-officio members of all Sub-Committees.

2.5.2. Proposals

Proposals to amend the Constitution, Standing Orders, League and Trophy Competition Rules and Tournament Rules shall be submitted to the Secretary not later than 28th February.

2.5.3. Voting

2.6. Disputes and Discipline

The Disputes and Disciplinary Committee shall deal with all complaints and their decision shall be binding.

Complaints regarding League and Trophy Competition matches should be made in writing to the Match Secretary. Complaints on any other matter should be made in writing to the Secretary.

2.7. Laws of the Game

The Laws shall be those of Badminton England, with the following exceptions:

- Those clubs which, by virtue of the limitations imposed by the structure and fabric of the building which houses the court(s), are unable to comply with the minimum conditions laid down by Badminton England, can join BDBA provided that the BDBA Council approves their conditions.

3. LEAGUE COMPETITION RULES

3.1. Player Selection

A player may be selected to play for a Member Club in the League Competition provided that they:

- are Full BDBA Members;
- have an agreed playing level and are starred for a team;
- have not represented another club playing in the BDBA League or Trophy competitions in the same season, unless in exceptional circumstances with the prior permission of the Match Secretary.

Notes:

Games won by unregistered players, unless the player's registration documents and fees are received within 14 days of the match, or players whose playing level has not been agreed with the Match Secretary in advance of playing in a match, will be deducted and awarded to the opposing team.

All questions of eligibility and qualification of players shall be referred to the Match Secretary within seven days of the match having been played.

3.2 Teams

Each team shall consist of 3 ladies and 3 men playing 12 events (i.e. 3 ladies' doubles, 3 men's doubles and 6 mixed doubles). Each player plays 2 level and 2 mixed events.

To form the level doubles, the men and ladies are paired with each of the other men and ladies in the team:

1 st Men's pairing:	1 st Man and 2 nd Man
2 nd Men's pairing:	1 st Man and 3 rd Man
3 rd Men's pairing:	2 nd Man and 3 rd Man
1 st Ladies' pairing:	1 st Lady and 2 nd Lady
2 nd Ladies' pairing:	1 st Lady and 3 rd Lady
3 rd Ladies' pairing:	2 nd Lady and 3 rd Lady

The mixed pairings need not correlate to the levels pairings. The men and ladies form 3 mixed pairings of their choice.

The following is a suggested order of play:

Ladies' 1 st v 1 st	Men's 1 st v 1 st	
Ladies' 2 nd v 2 nd	Men's 2 nd v 2 nd	
Ladies' 3 rd v 3 rd	Men's 3 rd v 3 rd	
Mixed 1 st v 1 st	Mixed 2 nd v 2 nd	Mixed 3 rd v 3 rd
Mixed Home 1 st v Away 3 rd	Mixed Home 2 nd v Away 1 st	Mixed Home 3 rd v Away 2 nd

Each captain shall present, in writing, the composition of his/her team, for all events, to the opposing captain before the time fixed for the start of play.

3.3. Reserve Players

If a player needs to miss a match for any reason they may be replaced by a reserve, drawn from the club's remaining registered players for whom a playing level has been agreed with the Match Secretary.

Any player may play for a higher team but a **seventh** appearance above the lowest team for which he/she has played shall automatically 'tie' the player to the next team above.

Tied players may not play for a lower team unless they miss three consecutive league matches of the team to which they have become tied.

Under no circumstances will substitutes be allowed for any player once he/she has commenced playing in a match.

3.4. Shuttlecocks

3.5. Matches and Postponement of Matches

All matches shall be played on a Home and Away basis according to the Fixture List.

Any club having two teams in the same division shall play each other as their first match of the season.

Only non-availability of hall or an unavoidable clash with a Town Team fixture will be accepted as a reason for postponing a match. Any club desiring postponement of a match for these reasons must make application to the Match Secretary **at least three days prior** to the date of the match.

If the postponement is agreed, then two alternative dates must be offered to both the Match Secretary and the opposing club within a fortnight, with the match to be played within four playing weeks of the original date, except as agreed otherwise by the Match Secretary.

When the new date has been agreed by the two clubs concerned, the Match Secretary must be informed by the home club. Failing mutual agreement between the two clubs concerned, the Match Secretary shall fix a date.

In the event of a team failing to attend on the date fixed by the Match Secretary, that team shall forfeit the match to love.

3.6. Scoring

Each event shall consist of two games using the Rally Point Scoring system.

Games shall be played to 21 points, except where if the score reaches 20 all, the side which gains a 2 point lead first, wins that game, if the score reaches 29 all, the side scoring the 30th point, wins that game.

3.7. Scorers and Umpires

Scorers may be appointed by mutual consent.

Umpires may be appointed by application to the Match Secretary prior to the date of the match.

3.8. Results

Results of league matches submitted by the home team must be received by the Match Secretary within 72 hours of the match being played. Failure to comply with this rule may lead to forfeiture of the match to love in favour of the visiting team.

Full details of the league, division, teams and full players' names must be recorded on the match slips provided. The final result of the match should be correctly recorded and the slip signed by both home and away team captains.

Individual games shall count in the result. If these are equal the result is a draw. The following points shall be awarded:
